

Atharva Barad

Seattle Metropolitan Area | 425-749-7338 | atharvambarad@gmail.com | linkedin.com/in/atharvambarad

Extended Professional Profile | Evidence-oriented companion to the one-page resume

EDUCATION

University of Washington Bothell

Bothell, WA

Bachelor of Arts in Business Administration | GPA 3.64/4.00

Aug 2026

Academic focus: Finance and Management Information Systems | Annual Dean's List 2024-2025

CREDENTIALS

Completed: Bloomberg Market Concepts (BMC); Business Analysis Techniques for Business Transformation - LinkedIn Learning, Jan 2026

Additional: Adult Mental Health First Aid, 2nd Edition (Sep 2024-Sep 2027); Adult/Child/Infant CPR, AED & First Aid - HSI (through Dec 2026)

PROFESSIONAL EXPERIENCE

United Indians of All Tribes Foundation

Seattle, WA

Garden Intern Supervisor

Nov 2023 - Nov 2025

- Rebuilt quarterly volunteer reporting from paper logs into digital forms and an Excel workflow using Power Query, PivotTables, VBA/macros, validation, and error flags, cutting end-to-end preparation from roughly 4-8 hours to about 40 minutes
- Developed the proposal and budget for an awarded \$73,000 King County WaterWorks grant; after award, tracked spending, coordinated purchases with accounting/management, and prepared 8 quarterly compliance reports across overlapping grant cycles
- Increased volunteer participation by approximately 70% year over year through targeted outreach, consistent communication, and partnerships with local organizations
- Designed and led a 6-week horticulture and water-systems internship for 8 interns using structured learning plans, weekly check-ins, individualized feedback, and performance metrics

N&M Events

Kent, WA

Event Staff / Operations Support | On-call family business

Jun 2023 - Present

- Supported 50+ private, cultural, and corporate events for roughly 10-200 attendees, coordinating decor, venue setup/layouts, equipment, transportation, inventory, and day-of adjustments
- Translated changing client and family-operator requests into setup and logistics decisions during live events, adapting execution as requirements shifted

PROFESSIONAL EXPERIENCE (CONTINUED)**Chipotle Mexican Grill**

Kent, WA

Crew Member

Sep 2022 - Jan 2024

- Served 100+ customers on typical busy shifts while maintaining food quality, order accuracy, cleanliness, and rush-period workflow

Bellevue Urban Garden

Bellevue, WA

Garden Team Lead | Unpaid internship/volunteer

Feb 2021 - Mar 2022

- Supported garden operations, landscaping/path work, waste management, seed collection, and team-lead responsibilities; title is based on recollection

CONSULTING & LEADERSHIP**Business Consulting Association, UW Bothell**

Bothell, WA

Student Consultant / Case Competition Team Lead

Sep 2025 - Jun 2026

- Completed 2 client engagements and 3 case competitions spanning market research, analysis, solution development, presentation work, and final-deliverable quality control
- Advised Sky Rivers Advisory through competitor, client, pricing, and marketing research; translated findings into recommendations and performed substantial final QA on deliverables the client described as "five-star"
- Conducted interviews plus local-community, historical, online-forum, and social-sentiment research for a regional credit-union client, converting findings into recommendations on partnerships, programming, and space use
- Led a Major League Volleyball case team developing a 10-year media-led growth roadmap around a \$20 million capital opportunity and threefold valuation target; consolidated research/data and built final presentation materials
- Led an ad hoc soybean-export case team after original teammates withdrew, delegated workstreams by strengths, analyzed target markets, and synthesized trade, finance, marketing, and contract research
- Took analytical initiative under another formal lead on a CIT airline strategy case comparing carrier positioning and market options including Vietnam, Singapore, and Indonesia

INDEPENDENT RESEARCH & FINANCE PROJECTS**Monte Carlo International Expansion Research**

Jun - Aug 2026

B BUS 499 Independent Study | Python / Monte Carlo | Grade 4.0

- Built a Python Monte Carlo decision-support model for a 15-year, six-warehouse international-expansion strategy, evaluating 12 scenarios across 10,000 paths each and 23 stochastic country variables
- Mapped country-level benefits, costs, and risks into correlated financial assumptions through a 23-by-23 dependence matrix, incorporating FX/inflation, construction delays, working capital, financing constraints, and dynamic WACC while keeping a separate 21-by-21 AHP strategic framework
- Structured outputs around distribution-based scenario comparison rather than single-point forecasts and validated 157 archived core/FX/financing checks plus reproduction of all 12 scenarios

Costco Five-Warehouse Capital Budgeting

Summer 2026

B BUS 451 Team Project | Primary Analytical Lead | Grade 4.0

- Led most research and modeling for a five-warehouse cash-flow model covering revenue, cannibalization, OpEx, CapEx, depreciation, working capital, taxes, and salvage
- Evaluated a modeled \$128.91 million initial investment at \$140.96 million NPV and 25.58% IRR using an 8.18% WACC; scenario NPVs ranged from \$3.99 million to \$326.13 million
- Recommended 100% internal financing after assessing liquidity, cash generation, and payout flexibility

Apple Fundamental Analysis & Equity Valuation

Summer 2026

B BUS 454 Team Project | Part 3 Valuation / QA Lead | Grade 4.0

- Led FCFF DCF, dividend-discount, and peer P/E valuation work; final submitted values were \$174.76/share, \$22.03, and \$140.55, with 9.01% WACC and 3.0% terminal growth in the FCFF case
- Reconciled citations, source data, and output inconsistencies across the team deliverable, corrected a mismatched section, and standardized final report/presentation figures

STRATEGY, INTERNATIONAL & MIS PROJECTS**Costco Singapore Market Entry**

Mar - Jun 2026

B BUS 480 Team Project | Country Screening / Financial Research / QA | Grade 4.0

- Spearheaded the country-screening tool by structuring the model, researching inputs, helping define criteria, and validating data/scoring; the team ranked Singapore 7.50 versus 6.25 for South Korea and 5.35 for Japan
- Conducted pricing and financial research and performed cross-module QA, correcting statistics, assumptions/settings, appendix issues, and final formatting across the business plan

WEBTOON Strategic Management Capstone

Summer 2026

B BUS 470 Four-Person Team Project | Strategy / Deliverable QA | Grade 4.0

- Owned assigned analysis covering organizational structure, Five Forces, competitor/Blue Ocean/CSR, company timeline, intra-firm value chain, and TMT/board matrix; presented slides 4-6
- Reconciled citations, formatting, background consistency, and cross-section issues across the final deck to improve coherence and presentation quality

UniPath Student Lifecycle Platform

Mar - Jun 2026

B BUS 489 Five-Person MIS Capstone | PostgreSQL / Python | Grade 3.9

- Designed a normalized 34-table PostgreSQL schema/ERD with UUID primary keys, explicit foreign keys, and junction relationships spanning university search, applications, academic progress, and alumni outcomes
- Built the Python proof of concept for multidimensional ranking, semantic matching, calibrated admission estimates, and early-warning academic-risk workflows using synthetic/prepared data
- Co-developed the broader six-layer architecture and API/data-flow concepts with a five-person team, integrating the schema and Python POC into the shared system design

Visionaire Smart Glasses

Sep - Dec 2025

B BUS 330 Four-Person Team Project | Early-stage Product Economics

- Focused on pricing/financing, startup costs, revenue/expense projections, and break-even for an industrial AR smart-glasses concept; retained as early-stage product/finance evidence rather than advanced valuation work

PERSONAL TECHNICAL & SOFTWARE PROJECTS

System (formerly MasterBase)

Aug 2026 - Present

Personal Product / Software Project | Kotlin Multiplatform / SQLDelight / Supabase

- Define product requirements, UI/design flows, analytics rules, offline/sync semantics, scope decisions, and acceptance criteria for a Kotlin Multiplatform Android/Desktop application
- Designed local-first behavior around stable record IDs, pending mutations, conflict handling, and separate local/remote/historical representations; read and modify Kotlin and SQL directly
- Field-test Android/Desktop behavior and built a GitHub-backed multi-worker relay workflow to coordinate AI-assisted implementation, debugging, audits, and regression validation

CommuteWise

2026

CSS 360 Software Engineering Team Project | FastAPI / Map APIs

- Contributed product/feature ideation, requirements consolidation, integration review, manual/user testing, bug identification, and release validation for a map-based commute-analysis application; another teammate drove much of the implementation

CSS 475 Database Systems

2026

PostgreSQL / SQL Coursework and Team Database/API Work

- Built and tested PostgreSQL/SQL functionality using schemas/ERDs, parameterized queries, joins, reads/writes, validation, Python-backed database APIs, transactions, and optimization concepts

ADDITIONAL SERVICE & EVIDENCE

Seattle Maharashtra Mandal

Redmond, WA

Student Events Volunteer

Feb 2020 - Mar 2023

- Supported cultural/community events for 200+ attendees, including indoor/outdoor layouts, setup, attendee supervision, and event flow

Data visualization: Academic Tableau project with public profile; Power BI working knowledge only

SKILLS

Finance & Analysis: DCF/FCFF, DDM, P/E/comps, NPV/IRR, CAPM/WACC, capital budgeting, scenario/sensitivity, Monte Carlo, pricing/break-even

Excel & Data: Formulas, PivotTables, Power Query, VBA/macros, validation, conditional formatting, filters/tables, lookups, charts, Python, pandas, NumPy, SQL/PostgreSQL, Tableau

Systems & Product: Kotlin/KMP, Compose Multiplatform, SQLDelight, Supabase/Postgres, relational modeling, APIs/data flow, offline/sync concepts, requirements, UI/UX, testing/regression, Git/GitHub

Business Delivery: Grant budgeting/compliance, process improvement, stakeholder coordination, student consulting, market/competitive research, program coordination, client presentations, deliverable QA
