EDUCATION

University of Washington Bothell

Bothell, WA

Bachelor of Arts in Business Administration | GPA 3.64/4.00

Aug 2026

Academic focus: Finance and Management Information Systems | Annual Dean's List 2024-2025

PROFESSIONAL EXPERIENCE

United Indians of All Tribes Foundation

Nov 2023 - Nov 2025

Garden Intern Supervisor | Seattle, WA

- Rebuilt quarterly volunteer reporting from paper logs into digital forms and an Excel workflow using Power Query, PivotTables, VBA/macros, validation, and error flags, cutting preparation from **roughly 4-8 hours to about 40 minutes**.
- Developed the proposal and budget for an awarded **\$73,000 King County WaterWorks grant**; tracked spending, coordinated purchases with accounting/management, and prepared **8 quarterly compliance reports** across overlapping grant cycles.
- Increased volunteer participation by **approximately 70% year over year** through targeted outreach, consistent communication, and partnerships with local organizations.

CONSULTING & FINANCE PROJECTS

Business Consulting Association, UW Bothell

Sep 2025 - Jun 2026

Student Consultant / Case Competition Team Lead | Bothell, WA

- Advised Sky Rivers Advisory through competitor, client, **pricing**, and marketing research; translated findings into recommendations and performed substantial final deliverable QA on work the client described as **"five-star"**.
- Led a Major League Volleyball case team developing a **10-year media-led growth roadmap** around a **\$20 million capital opportunity** and threefold valuation target, consolidating research, strategic options, and final presentation materials.

Monte Carlo International Expansion Research

Summer 2026

B BUS 499 Independent Study | Python / Monte Carlo | Grade 4.0

- Built a Python Monte Carlo decision-support model for a 15-year, six-warehouse expansion, evaluating **12 scenarios x 10,000 paths each** and **23 stochastic country variables**.
- Mapped country risk into revenue, operating costs, working capital, construction timing, FX/inflation, financing capacity, and dynamic WACC using empirical distributions and a **23 x 23 dependence matrix**.
- Structured outputs around NPV/IRR, downside risk, investment timing, financing behavior, and completion; validated **157 archived core/FX/financing checks** plus reproduction of all 12 scenarios.

Costco Five-Warehouse Capital Budgeting

Summer 2026

B BUS 451 Team Project | Primary Analytical Lead | Grade 4.0

- Led most research and modeling for a five-warehouse incremental cash-flow model covering merchandise and membership revenue, cannibalization, OpEx, CapEx, depreciation, working capital, taxes, and salvage.
- Evaluated a modeled \$128.91M initial investment at **\$140.96M NPV and 25.58% IRR** using an 8.18% WACC; scenario NPVs ranged from **\$3.99M to \$326.13M** and supported an internal-financing recommendation.
- Identified **mature revenue per warehouse** as the largest one-way NPV driver and variable warehouse cost as the second, translating sensitivity output into demand-ramp and cost-control priorities.

Apple Fundamental Analysis & Equity Valuation

Summer 2026

B BUS 454 Team Project | Part 3 Valuation / QA Lead | Grade 4.0

- Led FCFF DCF, dividend-discount, and peer P/E valuation work; final submitted values were **\$174.76/share, \$22.03, and \$140.55**, with a 9.01% WACC and 3.0% terminal growth in the FCFF case.
- Reconciled citations, source data, and output inconsistencies across the team deliverable, corrected a mismatched section, and standardized final report and presentation figures.
